Education

Bachelor of Engineering in Computer Science Medicaps Institute of Science and Technology at Indore | August 2014 - May 2018

8.38 CGPA

Industrial Training, Zensar Technologies, Completed - 2017

Major Project (Web based), Rent the Backpack -

This project serves those who require temporary goods because there may not be a need to buy them, if they need it for limited period of time. Hence availability of such goods at rent would ease the shopping. The goods include books, costumes, electronic equipment etc. The user can upload the new item for rent as well as can rent the available products.

(09/2017-04/2018)
